

③ MAINTAIN

Commercial Care and Cleaning Schedule

WOCA Master Soap

Daily and As Needed Cleaning:

- Master Soap is ideal for cleaning and care of oil floors
- For frequent, everyday cleaning
- 5 Liter concentrate only

Recommended: Use a quality cotton yarn twist mop.

WOCA Oil Refresher

Monthly:

- Oil Refresher combines efficient cleaning while adding some extra oil to the surface at the same time
- Enhances natural color of the wood gently cleaning the floor
- 1 Liter and 2.5 Liter concentrate for spray mop cleaning

Recommended: Use a quality cotton yarn twist mop.

*If the floor is factory finished, always comply with the manufacturer's care and maintenance instructions. For end grain floors, please contact your local WOCA representative
